Greetings:

On behalf of the State of Colorado, it is my pleasure to congratulate the Independence Film Fest of Colorado on its Second Edition.

The Independence Film Fest of Colorado, with its statewide expansion this year, is rapidly becoming one of the top film festivals in the nation, due in no small part to its taking advantage of Colorado's unique and historic venues and spectacular scenery. It is a privilege to thank the founders of the IFFC for their dedication to the festival, and the communities in which the event takes place.

Welcome to the many fans and enthusiasts who have come to this year's festival. You have my best wishes for an enjoyable time as you experience the IFFC's unique combination of cinema, culture, and community!

Sincerely,
